

FACAMEG TRANSITION BUREAU AND ELECTORAL COMMISSION · 2026 ELECTIONS

Member and voter guide

Update your record, get your card, check the voter list and vote online, step by step.

KEY POINTS

1. Update your member record with your photo (code by WhatsApp or e-mail).
2. Get your 2027-2029 card before **13 November 2026**: 100 EGP (existing members) or 250 EGP with the card included (new members).
3. Check your name on the provisional voter list from **16 to 20 November**.
4. Do the trial vote between **21 November and 2 December**.
5. Vote online on **Saturday 12 December, from 8 am to 8 pm**, and keep your receipt.
6. Take part without travelling in **votes and consultations** (first the priority vote "Élections 2026", then the statute articles by category): My space → Votes and consultations.

1 The platform in brief

One official website for every step: **electionfacameg.online**. It works on phone, tablet and computer, in French and English (FR / EN buttons).

- **Member update:** register or complete your record.
- **My space:** your personal account (card, payments, notifications, documents, vote, receipt).
- **Voters' list:** viewing and claims, for members only.
- **Run for office:** submit your candidacy file.
- **Vote:** the online ballot on election day, and checking your receipt.
- **Help:** these guides, online and in PDF, and the frequently asked questions.

Any other address that copies the website is a scam. The Commission will **never** ask you for your code by phone or by message.

Home page

2 Install the app

The app gives access to the same services, with notifications and a sign-in that lasts.

- **Android:** go to **electionfacameg.online/application** → "Download the Android app". Allow the installation if your phone asks. Updates are announced inside the app.
- **iPhone:** open the website in Safari → Share button → "Add to Home Screen".
- Without the app, everything also works in the browser.

3 Update my details (existing members)

For members already registered with FACAMEG. It takes about 3 minutes. You do the update only once; after that, you change your details in "My space".

- 1 Open **Members area** → **Update my details**.
- 2 Enter your **member number**, your **surname**, your **first names** and your **WhatsApp** number exactly as the Commission recorded them.
- 3 Complete your contact details: e-mail (required), **neighbourhood** (chosen from the list), date of birth, language for messages, association if any.
- 4 Add your **head-and-shoulders photo** (see below).
- 5 Choose to receive the code by **WhatsApp** or by **e-mail**, then enter the 6-digit code you receive: your record is saved.

Field	Good to know
Member no.	Required: your number in the member list. You don't know it? Ask at +20 114 684 6864.
Surname, first names	As recorded by the Commission (a difference of one or two letters is accepted).
WhatsApp	The number recorded by the Commission. If it has changed, contact the bureau before the update.
E-mail	Required: your card, your receipts and your voting code can be sent there.
Photo	Head and shoulders, facing the camera, light background: it appears on your card and on your profile.
Neighbourhood	Choose it from the list: FAISAL, SHEIKH ZAYED, MAADI, SAKAN MISR, 6 OCTOBER, ALEXANDRIE, HORAS VALLEY TOWERS, MOHANEDESSIN. You live somewhere else? Choose "Other neighbourhood...", then type its name.

The four details (number, surname, first names, WhatsApp) must match the register. If they don't, no code is sent: this is what stops someone from pretending to be you.

Never create a second record with another number or another e-mail: one member = one record = one card = one vote.

4 The head-and-shoulders photo

The same photo appears on your profile and on your card. The Commission approves it before the card is issued.

Do	Avoid
✓ Facing the camera, face and shoulders visible	✗ Sunglasses, cap, filters
✓ Light, plain background	✗ Group photo, busy background
✓ Good light, sharp and recent photo	✗ Blurred, dark or old photo

You can take the photo directly with your phone's camera. The platform crops it to the card format; you can zoom or move it before saving. If it does not meet the rules, you receive a link (valid for 7 days) to upload another one.

5 New members: joining

Have you never been registered with FACAMEG? You pay **250 EGP in a single payment**: 150 EGP membership fee + the 100 EGP 2027-2029 card included (resolution R7 submitted to the EGA).

- 1 Pay 250 EGP to a member of the Commission, in cash or by InstaPay. You are given **a single numbered receipt**.
- 2 The Commission member registers you on the platform with your details and, if possible, your photo.

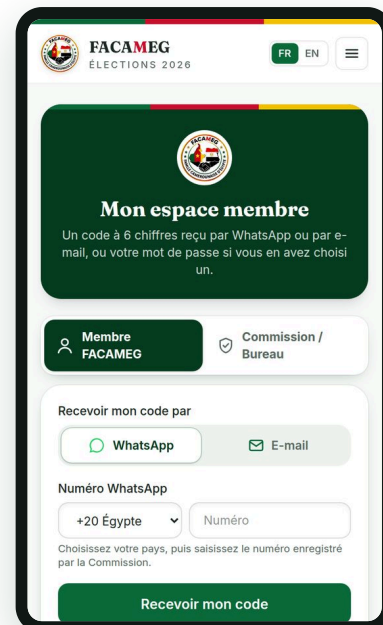

- 3 You receive a **confirmation link** by WhatsApp or e-mail (valid for 7 days): check your details and confirm.
- 4 You are now an active member; your card is already paid for.

6 Sign in to “My space”

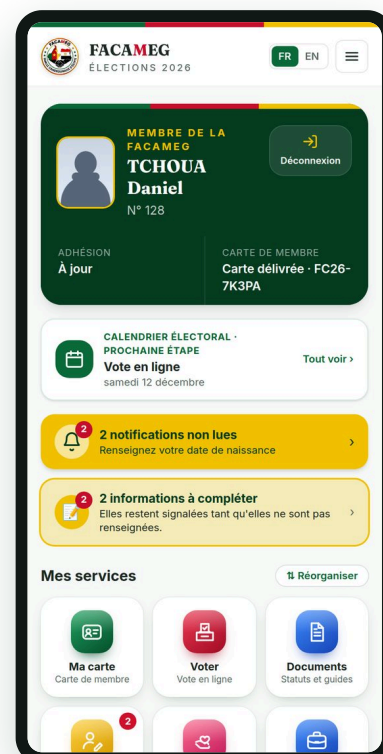

Your personal space brings together your card, your payments and receipts, your notifications, the members' documents, the vote and the receipt check.

- 1 Tap **My space** (bottom bar of the app or the Members area menu).
- 2 Choose to receive a code by **WhatsApp** or by **e-mail**, then enter the number or address on record.
- 3 Enter the 6-digit code. You can also create a password in your space to sign in faster.

On your own phone, you stay signed in until you tap “Sign out”. On a shared device, always sign out.

7 The 2027-2029 membership card

One digital card, with a photo and a QR code that can be checked: it is your **voter card in 2026** and your **membership card for the whole 2027-2029 term** (resolution R6 submitted to the EGA).

- 1 Be an active member (update done, or membership confirmed) with a **photo approved** by the Commission.
- 2 Existing member: pay **100 EGP** to a member of the Commission (cash or InstaPay) and **insist on your receipt**. New member: nothing to pay, the card is included.
- 3 The card is issued: you receive your **voter number** (FC26-XXXXX) by e-mail.
- 4 Show it in **My space** → **My card**: full screen, download as an image (JPEG) or as a PDF.

Deadline: **Friday 13 November 2026, 11:59 pm**. After this date, the voter list is prepared and is closed to new cards.

The card money belongs to the association: every payment has a numbered receipt and is entered in the register. Only justified election expenses (printing, stationery) are taken from it; the balance, the register and the supporting documents are handed over to the next Bureau.

8 Flash ads

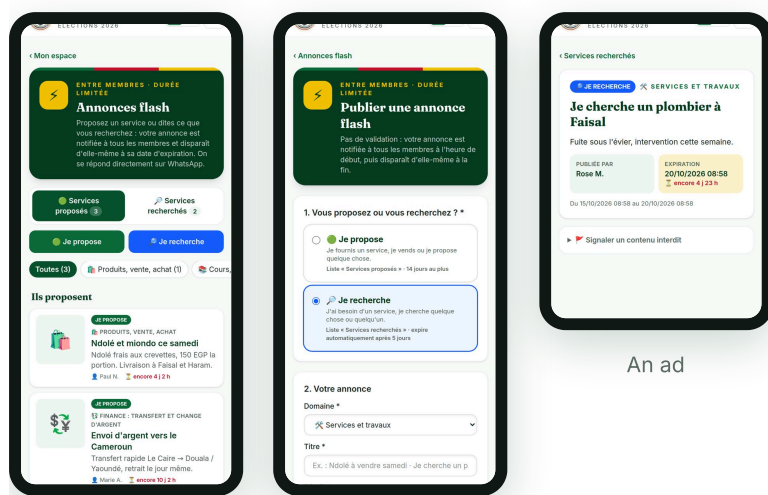

To offer a service or tell all members what you are looking for, without flooding the WhatsApp group. My space → **Flash ads**.

- 1 Tap **I offer** or **I'm looking for**.
 - 2 Choose the category: products and sales, services and repairs, lessons, transport and parcels, **finance (money transfer and exchange)**, housing, small jobs, events, lost or found items, mutual help...
 - 3 Write a clear title and the details (price, place, times), and add one or two photos.
 - 4 Choose the start time. Check your WhatsApp number, read the charter and publish.
 - 5 At the start time, all members receive a notification: when they tap it, they land on your ad and can write to you on WhatsApp.
- No approval by the bureau: the ad goes out straight away.
 - Two running ads at most per member. You can remove yours at any time.
 - When it expires, the ad and its notification disappear for all members.
 - Tap a photo to enlarge it: spread two fingers to zoom, swipe to move around.

	I offer	I'm looking for
List	Services offered	Services wanted
For	I provide a service, I sell, I offer something	I need a service, I am looking for something or someone
Expiry	14 days at most (14 days by default)	5 days , automatically
After that	Republish the offer if needed	Republish the request if needed

Strictly forbidden: illegal, fraudulent or misleading content; ads related to animals; adult or pornographic content; gambling and betting. Any account that breaks these rules is automatically suspended and removed from the FACAMEG community. A suspicious ad? Tap "Report forbidden content".

Money transfer and exchange: deal only with people you trust, ask for a receipt, and never hand over money before checking the other person's identity.

9 Online votes and consultations: take part without travelling

FACAMEG has members in every district of Cairo, in Alexandria and elsewhere. Distances, travel and everyone's busy schedules often make it hard to attend meetings. So that **every member, wherever they are, can take part in decisions without travelling**, the Commission now offers online votes and consultations: My space → **Votes and consultations**. These are not online general assemblies: the app makes it easier for everyone to take part in the community's major decisions.

- 1 When a vote opens, you receive a notification. Open **My space** → **Votes and consultations**: open votes are shown with their deadline and the time left.
- 2 Open the vote (start with the priority vote "Élections 2026"). For a statute article, read the proposal; tap "What exists today and why change it" to see the 2022 text and the reason for the change.

- 3 For each question, tap **For**, **Against** or **Abstention** (or the option of your choice for a poll).
- 4 Tap **Submit my votes**. You can vote on some questions and come back for the others before the deadline.
- 5 Each vote is confirmed by a **receipt code**. After the deadline, the Commission checks and validates the results: you see them on the same page.

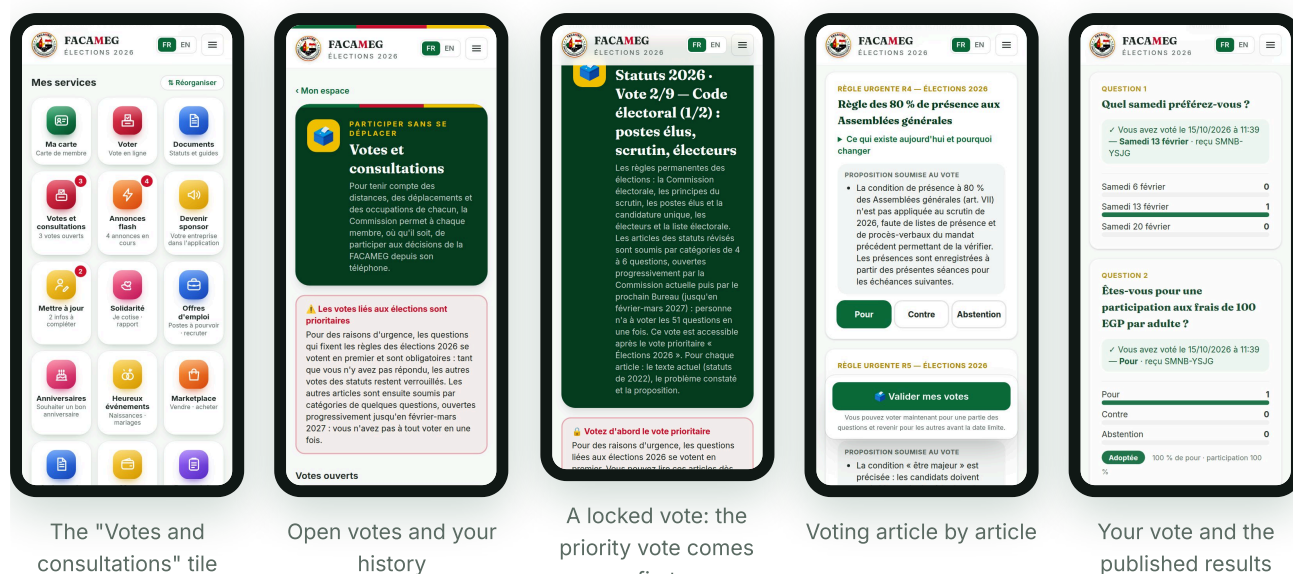

- **One vote per question** per member; it is final.
- **Secret ballot** (statutes): only your participation is recorded in your name; your choice goes into an anonymous ballot box that nobody can link to you.
- **History**: the "My participation and the results" section keeps, for each vote, the number of questions voted, the date and the published results.
- All active members can vote, with no payment condition.
- A **trial** vote is open so you can discover how it works: your answers do not count.

Vote	Category	Questions
1 — priority and mandatory	2026 elections: urgent rules R1 to R9 and remote participation	10
2	Electoral code (1/2): elected posts, ballot, voters	5
3	Electoral code (2/2): candidacies, disputes, campaign	6
4	Executive Bureau and Committee	6
5	General Assembly and amendment of the statutes	5
6	Members: rights, duties, registration	5
7	Membership, contributions and finances	4
8	Term, handover and final provisions	5
9	Structure, preamble and form of the text	5

Election-related votes come first. Because it is urgent, vote 1 "Élections 2026" (rules R1 to R9 and remote participation) is held first and is **mandatory**: until you have answered all its questions, the other statute votes stay locked (you can already read them). These rules must be known before the candidacies and the December elections.

51 questions, but not all at once. The other articles of the revised statutes are put to the vote in **categories of 4 to 6 questions**, opened gradually by the current Commission, then by the next Bureau after it takes office in January: votes may continue until February-March 2027. Each vote is announced in the WhatsApp group, with its deadline. A paper booklet covers every article; it is handed out during the focal-point tour.

10 Become a FACAMEG sponsor

Do you have a business or an activity? Make it known to the whole community in the app. My space → **Become a sponsor.**

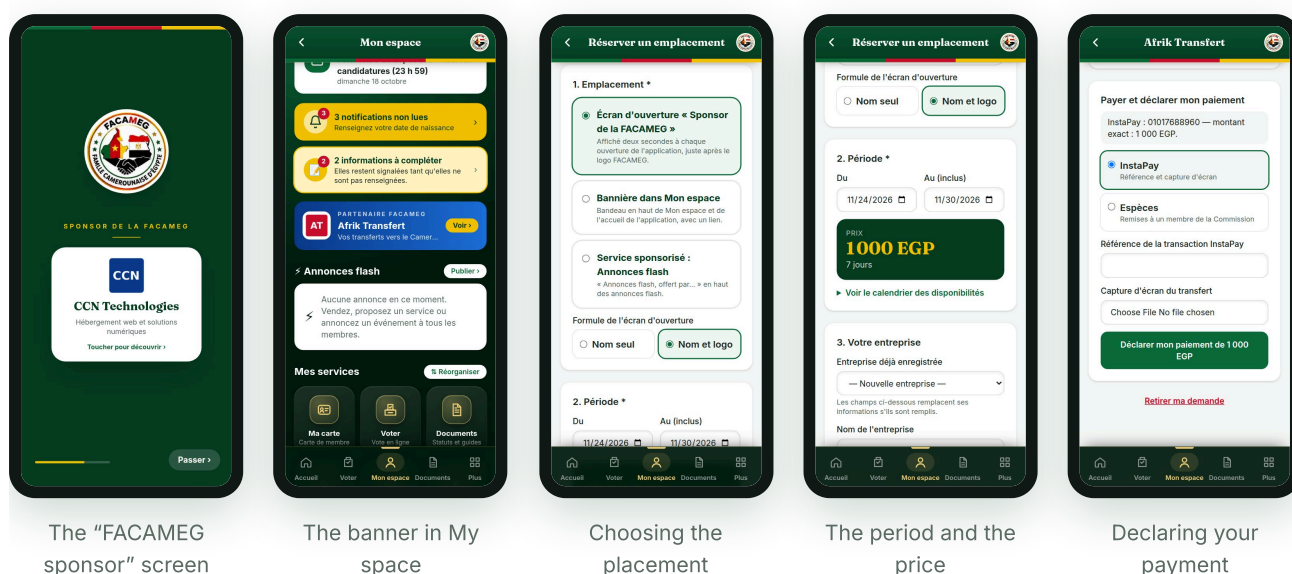

- 1 Tap **Book a placement** and choose the placement (and the package for the opening screen).
 - 2 Choose a free period: the calendar shows the dates already taken, because there is **only one sponsor at a time** per placement. The price appears straight away.
 - 3 Enter your business name, a short sentence, your website or your WhatsApp number, and add your **logo** (preferably a PNG with a transparent background).
 - 4 The period is held for **72 hours**: pay by InstaPay (reference and screenshot) or in cash to a member of the Commission, then tap **Declare my payment**.
 - 5 The Commission approves the payment and gives you a numbered receipt: your ad appears **by itself** on the first day and stops after the last day. You can follow the number of views and clicks.
- A period of less than one week counts as one week; for longer periods, you pay by the month and by each week started.
 - If no payment is declared within 72 hours, the period is released for another sponsor.
 - To change your logo or your texts during the campaign, contact the Commission: the change is immediate.
 - Revenue is shared equally: **50% for the FACAMEG community, 50% for the platform.**

Placement	What members see	Price (EGP)
-----------	------------------	-------------

Opening screen — name only	"FACAMEG sponsor" then your name, for 2 seconds each time the app opens	500 / week · 1,500 / month · 4,000 / quarter
Opening screen — name and logo	Your logo, your name, your sentence; one tap opens your website or your WhatsApp	1,000 / week · 3,000 / month · 8,000 / quarter
Banner in My space	A "FACAMEG partner" banner at the top of My space and of the home page	300 / week · 1,000 / month · 2,700 / quarter
Sponsored service	"Flash ads, brought to you by..."	400 / week · 1,500 / month · 4,000 / quarter

Sponsor charter: nothing illegal, fraudulent or misleading; no gambling, alcohol, tobacco, adult content or "guaranteed" return investments; no political advertising and nothing linked to a candidate. The sponsor screen is never shown in the voting area.

No member data is passed on to sponsors: they only receive the number of views and clicks.

11 Check the voter list

The provisional voter list is published on **Monday 16 November**. Every member can report a missing name or an error until **20 November**; the final list is published and frozen on **21 November**.

- 1 Open **Members area** → **Provisional electoral list** and identify yourself (code by WhatsApp or e-mail).
- 2 Look for your name and check your voter number.
- 3 An error or a missing name? Make a claim from the page: the Commission replies by e-mail.

After the freeze on 21 November, nobody — not even the Commission — can change a voter's identity or contact details. So check in time.

12 The trial vote (21 November → 2 December)

The Commission opens a trial vote to check that you receive your code and that you know how to vote. It does not count.

- Tap "Test my voting access" on the home page.
- Follow exactly the same steps as on election day.
- A problem? Report it at +20 114 684 6864: it will be fixed before 12 December.

13 Vote online on 12 December

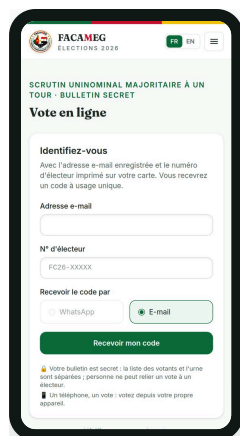

From **8 am to 8 pm** (Cairo time), from your own phone or computer. The ballot is secret.

- 1 Open **Vote**. Enter your **registered e-mail** and your **voter number** (FC26-...), then choose to receive the code by WhatsApp or by e-mail.
- 2 Enter the **6-digit code** (valid for 5 minutes, 3 attempts).
- 3 For each of the **4 positions**, choose a candidate or a blank vote. If only one candidate stands for a position: "For", "Against" or blank (R8).
- 4 Tap **Review my choices**, read again, then **I confirm and vote**. You can still go back before you confirm.
- 5 Write down your **voting receipt** (e.g. LRYL-OWCG-W7EK) or take a screenshot. A confirmation e-mail is sent to you.

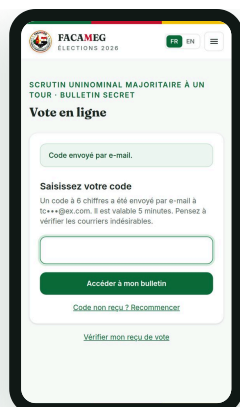

A 15-minute countdown is shown while you fill in the ballot. If time runs out, simply identify yourself again.

Once confirmed, the vote is **final**. One phone, one vote: each voter votes from their own device.

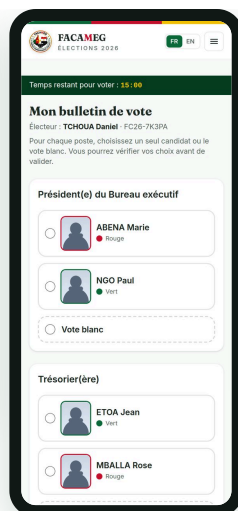

You receive a confirmation e-mail but you did not vote? Tell the Commission immediately at +20 114 684 6864.

14 The secret ballot

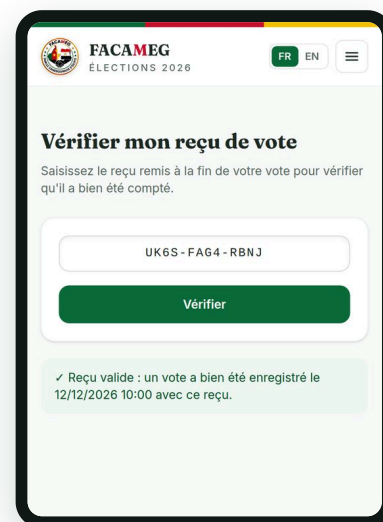

The list of voters (who voted, at what time) and the ballot box (the ballots) are two separate registers, with no link between them.

- The ballot carries no name, no number and no time; its identifier is chosen at random.
- Your receipt proves that **your vote was counted**, without revealing your choice.
- Nobody — not the Commission, not the observers — can know who you voted for.

15 Check your receipt, results and claims

After voting closes, everyone can check that their vote was counted and see the results.

- 1 **Vote → Check my voting receipt:** enter your receipt; the platform confirms that a vote was recorded with this receipt.
- 2 The **provisional results** are published on 13 December, with the detail for each position.
- 3 Claims: in writing and with reasons, to the Commission, within **24 hours** after the provisional results are published.
- 4 Final results and handover: **15 December**.

15 Dec.	Final results and handover

17 Security: good habits

Your code is the key to your vote.

- ✗ Never share a code received by WhatsApp or e-mail, with anyone.
- ✗ Do not vote from the phone of a candidate or of a go-between.
- ✓ The only official website: **electionfacameg.online**.
- ✓ Pay only to a member of the Commission or to the InstaPay account it publishes, always against a receipt.
- ✓ Your data is never sold or shared with third parties. No information about your residence status is asked for in order to vote.

18 The rules in force

The statutes of 18 December 2022 are in force. The urgent 2026 election rules (R0 to R9: elected positions, candidacy fees and conditions, age, card, single candidacy...) are submitted to the **Extraordinary General Assembly**, held in four sessions (Maadi, Faisal, Sheikh Zayed, Sakan Misr). This guide presents them as proposed; if one of them is not adopted, the Commission publishes the rule that applies and updates this guide.
